

LET ME OUT FOR: AUCKLAND TEAM BUILDING ACTIVITIES EVENTS

"Amazing people! Amazing organisation! Amazing venue! Everything was perfect :) Thanks Del and your wonderful team. Couldn't have asked for a better night!"

TEAM BUILDING

Our amazing facilitators deliver great team building activities to Connect Your People, Blow Away Cobwebs and Let Your Hair Down.

Operating indoors and out at the Birdcage, Victoria Park

"A crazy out of this world bunch with lots of enthusiasm and energy. Great fun! Entertaining – happy to lead you out of your comfort zone and keep you there."

Need to inspire, excite, energise or shake up your team during your conference and event?

We've got just the thing for that. Call it team building, call it bonding, call it anything you like! We have a fabulous range of challenges and activities to pick from and some super-duper facilitators to lead you through them.

Here are some examples that work well at the Birdcage:

HUMAN HANGMAN QUIZ

What do you call a quiz created by Let Me Out?! The Human Hangman Challenge. Yes, you've guessed it – an interactive quiz where the losing team from each round has to add another limb to their human hangman model (one of their team members). Get too many questions wrong and your hangman will be complete and you'll be out of the game! The last team standing will be crowned champions but not before being tested along with everyone else, in trivia, musical ability, general knowledge, blind tasting and more.

This super fun activity is virtually inactive. The only muscles in use will be your laughing ones. A quiz-tastic event to let your hair down with fun prizes to be won and memories created.

Our quiz team will rock up to wherever you want the activity run – Auckland, Waiheke or the Bahamas – we're there!

Price: \$45.00 per person

Minimum 15 people.

THE CROQUEMBOUCHE CHALLENGE

One of Let Me Out's most popular activities. We challenge your team to build a towering dessert from a box of ingredients and utensils provided by us. It's a real Master Chef inspired challenge against the clock where groups have to work together to achieve the task. If they succeed they get to eat the dessert at the end!

How it normally works: Your group arrives at the venue and orders drinks from the bar or at their table before being served their starter and main course. At the end of the main course, our facilitator enters the room and announces that the chef has gone home sick but luckily has left the ingredients for you to make your own desserts! Bring on the Croquembouche Challenge. At the end of the challenge the real chef created desserts are delivered to your table and, for those who want to, there is the opportunity to also taste their own dessert creations!

Duration: Approximately 45 mins.

THE LEMON CHALLENGE

Inspired by those amazing people on Master Chef we have developed the most finger licking challenge possible!

Making a lemon out of chocolate spheres, filled with delicious tangy mouse and turning it out on a plate in less than 40 minutes is quite something. But that's not all! Your teams will also have to decorate their own cupcakes and create their own fruit and veg edible decorations within the time allowed - plenty of opportunity for great team work, creativity and hands decorating. Just be sure that there's enough chocolate left to finish the job before pinching it all out of the bowl!

BLIND TASTE CHALLENGE

We welcome your group and help them unwind with a fun blind taste challenge where they get to sample two wines, two craft beers and two hand crafted truffle chocolates. At the end of the tasting session your groups are presented with trivia question sheets to test their knowledge on what they tasted and on beer, wine and chocolate.

Teams are scored on their correct answers and creative interpretation and we soon find out who are the real quaffers and who are just old soaks!

NOSTALGIA GAMES

A fun round robin of old school activities to remind you of days gone by. Includes walking bull rush warm up, big rope skipping, elastics, jacob's ladder and lots more. Your group will be giggling within seconds of the start of the first game – guaranteed! There are rounds of activities where teams compete for points towards their final score. Each activity has active and passive roles within them so people can choose to take part at whatever level they are comfortable with.

Held at Victoria Park just opposite the Birdcage.

FLING IT DARLING!

A veritable variety of things to fling, push and pull that allows your team to enjoy a relaxed fun time together. But there's more to these fun games as they are not what they might first seem. None of them are possible without clear communication and team work. The most united teams will come out on top. Let Me Out provides the equipment and the professional facilitation to guide your team through activities in a carnival atmosphere with fun stations. Activities include:

- Water-balloon Double Player Volleyball
- Giant Kerplunk
- The Super-sized Noughts and Crosses Race
- No Mistakes Drill Relay

These challenges provide a fun environment for the sporty and non-sporty amongst us!
